14-5-8

## GUARANTEED MINIMUM ANALYSIS

Total Nitrogen (N)	14.0%
Available Phosphoric Acid (P <sub>2</sub> O <sub>5</sub> )	5.0%
Soluble potash (K <sub>2</sub> O)	8.0%

GARDEN GALLERY 14-5-8 TREE AND SHRUB FOOD is formulated to help increase leaf growth, green foliage and fruit size.

**DIRECTIONS FOR USE:** Apply Garden Gallery 14-5-8 Tree and Shrub Food evenly into the soil at the recommended rates below.

**Small evergreens and shrubs:** In early spring, work into the soil 125 grams (1/4 lb.) for each metre (yard) of plant height.

**Large Deciduous, Evergreens, Fruit and Berry Trees:** In early spring or late fall, punch holes 30 cm (1 ft.) apart into the ground under the tree drip line. Use 250 grams (½ lb.) of this product for every 3 cm (1 in.) of trunk diameter. Pour a small quantity into each hole and fill with sand or compost.

**New Trees and Shrubs:** Mix 125 grams (1/4 lb.) into the soil mound at the bottom of the planting hole. For trees over 2 metres (6 ft.) double the rate. Cover mixture with 5 cm (2 in.) of soil. Spread out roots of the new plant over the soil mound. Fill remainder of planting hole with soil and pack firmly. Water well.

**CAUTION:** Read the label before using. Keep out of reach of children.

Store in a cool dry well ventilated area. Avoid breathing dust. Do not contaminate ponds, streams or potable water supplies.

**FIRST AID:** May be harmful if swallowed. **If swallowed:** Seek medical attention. Avoid contact with skin, eyes and clothing. **If in eyes:** Flush with water and get medical attention. **If on skin:** wash exposed skin and clothing with soap and water.

**DISPOSAL:** Dispose of empty container in recycling program or household garbage.
